

# CALL FOR ABSTRACTS NOW OPEN!

The Irrigation Australia 2012 Conference & ICID 7th Asian Regional Conference is calling for abstracts. The Program Committee invites abstract submissions for workshops, short papers and poster presentations.

Papers must be submitted by Tuesday 14 February 2012.

The conference to be held in Adelaide 24 – 29 June 2012 will address topics outlined in the below program themes.

- Integrated water management at basin and district level
- Horticulture (including fruit, vegetables and urban or landscape irrigation)
- Agriculture (including grains, pasture and fibre production)
- Drainage and flood management
- Water for the environment
- Regional cooperation

Cross cutting themes include:

- Civil engineering advances to support water management
- Climate change
- Economics informing water management
- Modelling to better manage resource distribution
- Reuse of treated waste water and other 'new' water sources
- Roles of social & cultural issues in developing water policy
- Water pricing
- Water trade

To submit an abstract or for more information and guidelines please visit the conference website by clicking [here](#).

Expressions of interest for possible half or full day workshops should also be submitted now.
